Ohio Department of Health Welcome to WIC Letter

Dear _____

The Women, Infants, and Children Program (WIC) is a health program funded by the United States Department of Agriculture. WIC provides nutrition education, breastfeeding support, nutritious foods, and referrals to other health and human service agencies. The purpose of the program is to help improve diet during critical times of growth and development. The foods provided by the program are supplemental and are not intended to provide all of your daily food requirements. WIC foods are only for the participant.

The health professional will assess your health and diet information and discuss nutritional risk factors that could affect your health and growth. **Your nutrition risk today is:**

| |
|--|
| |
|--|

WIC health professionals partner with you to develop nutrition goals to support a healthy pregnancy, breastfeeding and postpartum experience, and growth for infants and children.

I have discussed my nutrition goal with the WIC health professional. I agree to try:

| |
|--|
| |
|--|

| Date | Height | Length | Weight | Blood Iron (Hemoglobin) |
|------|--------|--------|--------|-------------------------|
|------|--------|--------|--------|-------------------------|

Benefits are for a specific period of time, usually 6 months, called a certification period. An appointment will be made for you to pick up your benefits and for your next certification appointment. These appointments are made before your certification period runs out so that your benefits are not delayed.

Your next WIC clinic visit is scheduled for:

| | |
|---------------------------------------------|-------------------------------|
| Nutrition Education and Benefit Pickup Date | Next Certification Visit Date |
|---------------------------------------------|-------------------------------|

Keep all WIC appointments or your benefits may end.

Your foods will end on _____ because child turns age 5,
 6 month postpartum period has ended, or
 breastfeeding eligibility for WIC has ended.

Information Sharing in the WIC Program

WIC works with many programs to meet your service needs. The *Information Sharing in the WIC Program* pamphlet explains programs that may receive your information for outreach; eligibility; and improving health, education, and well-being for your family.

Sharing information with programs or medical providers not listed in the *Information Sharing in the WIC Program* pamphlet needs your consent. You are not required, but may check or add programs or medical providers below for sharing your information.
