

QR Code that will take you to the link

Free COVID testing will be available from 10:00 to 2:00. We have added the option to complete the registration form in advance (see directions below), and this will reduce wait time a great deal. We would like as many people to take advantage of this as possible. Here are the details for the event. No appointment is necessary, and you will **not** need to quarantine after being tested (only symptomatic individuals need to quarantine after being tested). You can complete your registration form in advance by visiting this link: https://mako.exchange/covid19-ereg/?account_number=15896&account_name=ODH-OHIO-UNIVERSITY-EASTERN-CAMPUS&provider_fname=George&provider_lname=Cholak&provider_npi=1740292580

- Follow these instructions:
 - o The account number and account name will be pre-populated on the form and should not be modified.
 - o Complete all fields that have a red *.
 - o Your social security number is not required.
 - o The insurance type selected will be pre-chosen as “Client Bill (free test)” and should not be modified.
 - o Provider information is already pre-selected and should not be modified.
 - o Virus detection 720100 - SARS-CoV-2 will be pre-selected and should not be modified.
 - o Virus antibody will have nothing selected and should not be modified.
 - o Z03.818 should be selected for the DX code.
 - o The sample collection date should be selected as the testing date: **01/09/2020- This must match the correct date of the community testing event. Incorrect dates will have to be re-imputed.**
 - o The custom state required questions need to be answered.
 - o Once you have completed the form, select “Create E-REQ” at the bottom. This will assign you an MX number that will be utilized at the event. This will also be emailed to the email provided.
 - o **You must bring the MX number to the event.**

Results will be available in 3-4 days, and you will be able to access these online through Mako Medical.
